Ps
19/9/05

In accordance with the D/Comrs opinion I think the Representative Member may be informed that it is not possible to establish a Chatram at Malvalli. The savings of the Seringapatam Chatram (about 30 Rs a month) are not sufficient for the establishment of a separate Chatram, and further they will be required for other purposes such as repairs &c.

Summary of discussion-

There is no Annachattram at Malvalli for the convenience of travellers halting there every day on their way to Sivasamudram. It is proposed that one of the chattrams located in unimportant places such as Balamuri and Bidadi be transferred to Malvalli Kasba.
